Information included in the output report:

- Entity (state)
- Component (similar to district)
- Turf Vendor
- Project #
- Project count for period of time selected
- TEO #
- Miscellaneous model EIM total \$
- Count of miscellaneous models
- TEO appendix total \$
- Count of appendix models
- TEO preparation total \$
- Count of preparation models
- TEO expedite total \$
- Count of expedite models
- TEO other service model \$
- Count of other service model \$
- Equipment model EIM total \$
- Count of equipment models
- EIM total \$ for appendix
- Appendix count
- Count of custom driver #41
- Count of custom driver #42
- Custom detail major material part \$
- Custom detail driver EIM \$
- Custom detail manual EIM \$
- Custom detail manual major Material \$
- Custom detail total EIM \$
- Custom detail major material \$
- EIM grand total \$
- Major material grand total \$
- Custom detail appendix \$
- Project type (only on detail output data, not on summary)
- Equipment type (only on detail output data, not on summary)
- PAC (only on detail output data, not on summary)
- Total \$ for driver 41/42
- Total custom detail \$
- Total project \$
